The ISC-Goan Wing is swiftly gaining the recognition within the larger Indian community in Oman. During the Food & Fashion Fiesta organized by ISC-Charity Wing on 30 May 2014, they came out triumphant by securing the 2nd prize for the food stall. It was a proud moment for the Goans as it added another feather in the cap.

The location was Al Bhajha Hall at the Jungle Restaurant in Qurum with scores of mainly Indian community members participating in the event. There were stalls put by the different ISC & Wings all the across the spacious Hall. Food and Fashion items were up for display and sale.

Goan Wing Members - Mrs Revati and Mr Nirmal Sanzagiri and Miss Diksha Joshi took part in the on-stage presentations where they beautifully displayed the unique Goan ethnic costumes and jewelry.

The credit for the success goes to the great effort and dedication of the team members. The achievement means a lot keeping in mind the very short span of time since we joined the Indian Social Club at the beginning of the year.

The participation in this event was special because it was for a worthy cause and the Goan community is proud to be associated with ISC-Charity Wing.
