Yuri de Souza (son of Dr. Mario and Mrs. Elba de Souza) hails from Carona in Aldona, Goa. He was born in Bangalore and grew up in Oman - where he studied at the Indian School Al Ghubra. He went on to pursue a Bachelor's degree in Electrical Engineering and a Bachelor's degree in Computer Science, with a minor in Mathematics, graduating with high honors and an Honor's Program Diploma from Christian Brothers University, Memphis, USA. In addition to consistently appearing on the academic Dean's List, he was awarded the university's recognition of Featured Engineering Student for the year 2008. Yuri has now joined Microsoft as a Software Engineer and has relocated to the Silicon Valley in California.
